

Conflict Minerals Policy

Kablego Dalarna AB is a contract wiring harnesses and electronic assembly manufacturing company.

Kablego Dalarna AB is committed to sourcing components and materials from companies that share our values regarding respect for human rights, integrity and environmental responsibility.

Our customers specify the manufacturers of materials in the products the customer purchases. Kablego Dalarna AB have responsibility to notify our customers if we become aware of a supplier whose supply chain includes metals from a conflict region source, and take appropriate action expediently remedy the situation, including working cooperatively with our customer to identify a suitable alternate component source and transition source of supply to an alternate customer approved supplier.

We will not knowingly introduce into the manufacturing process metals derived from the conflict region.

Suppliers are expected to ensure that parts and products supplied to Kablego Dalarna AB, are DRC conflict-free (do not contain metals derived from "conflict minerals"; columbite-tantalite (tantalum), cassiterite (tin), gold, wolframite (tungsten, or their derivatives such that they directly or indirectly finance or benefit armed groups through mining or mineral trading in the Democratic Republic of Congo or an adjoining country).

Affected suppliers are to establish policies, due diligence frameworks, and management systems consistent with OECD Due Diligence Guidance for Responsible Supply Chains of Minerals from Conflict-Affected and High-Risk Areas.
