

## Declaration of Conformity

### **RoHS-2011/65EU & 2015/863/EU**

We certify that all items delivered by Kablego Dalarna AB comply with RoHS directives, 2011/65/EU & 2015/863/EU.

### **REACH-2006/1907/EG**

Kablego Dalarna AB abide by REACH regulation 2006/1907/EG and we keep ourselves informed regarding any updates.

We have requested all of our suppliers to keep themselves updated regarding changes in the regulation and amendments to the SVHC-list, and to us report any occurrences of SVHC-substances in concentration above 0.1 weight percent in homogenous material. This regulatory requirement for companies within EU and we assume this will be fulfilled. All our larger suppliers have also confirmed that they will do so. ECHA updates the SVHC-list twice per year and we do not have the resources to ask all our suppliers from outside EU.

At this moment we have no information of SVHC (listed in annex XIV) being present in items delivered by Kablego Dalarna AB. Neither have we information that restrictions listed in annex XVII are being violated.

Kablego Dalarna AB, 2022-02-10
